THE WASHINGTON CENTER ANNUAL SCHOLARSHIP DINNER 2018

Join us for a celebration of our shared commitment to student success and the positive impact that our students have on the world.

THIS EVENING IS A WONDERFUL OPPORTUNITY TO:

- Host your alumni at an elegant event showcasing your investment in transformational experiences for your students
- Host current and prospective donors who live in the D.C. area
- Invite state legislators and/or key staff who are in D.C. to attend the event and understand your commitment to student success
- Meet college and university leadership from across the country who share your commitment to experiential learning
- Raise scholarship funds for future participation of your students in TWC programs

New this year, schools that sponsor at the \$10,000 and \$15,000 level will be invited to participate in our Employer/University Roundtable, which is a unique, intimate event bringing together our university partners and our employer partners for a conversation about preparing students for the workplace. The Employer/University Roundtable will be held at the National Press Club on the morning of October 15, 2018.
