## THE WASHINGTON CENTER'S ANNUAL SCHOLARSHIP DINNER 2018

Please join The Washington Center (TWC) for our Annual Scholarship Dinner, a special celebration of the impact our internships have on the next generation of leaders. Your involvement makes it possible for our programs to change the trajectory of young lives, careers and the workforce of tomorrow.

TWC delivers exceptional educational experiences, professional development and mentorship to students and recent graduates. As a direct result of your generous support, TWC can provide scholarships to those who would otherwise be unable to participate in these transformational programs.

As a sponsor, you will receive recognition and visibility before an impressive audience of more than 400 guests, including a dynamic cross-section of executives from exceptional colleges and universities, private corporations, nonprofit organizations and government agencies—in the US and abroad. Custom sponsor benefits are also available.

We look forward to working with you to create the best sponsorship experience for your organization.

“

I truly appreciate your generous donation. You are directly involved in my success and growth. As the eldest of four siblings I see firsthand how others benefit from one person's success. By helping me you've helped a family, a community and maybe even a nation.
