

## An Important Update about TWC's 45th Anniversary Celebration

---

I hope that you and your families remain safe. I am writing today to share an important update regarding The Washington Center's plans to commemorate our **45th Anniversary Celebration**. Because the safety of our community remains our top priority, we have decided, after careful consideration, to cancel this much anticipated October event in 2020.

It is fitting that on our 45th Anniversary *Monumental Impact*, TWC remains as nimble and committed as ever to the evolving needs of our students and partners. We created a special [45th Anniversary Fund](#) to harness this milestone anniversary and continue to provide financial aid to our high-need students, in addition to raising funds and awareness for our new virtual internship program.

**It is my hope that you will consider applying any support you were considering for our anniversary celebration to support the [45th Anniversary Fund](#).** I encourage you to also visit our [45th Anniversary Webpage](#) to learn more about this monumental anniversary year.

Thank you again for your dedication to our mission and to the students we serve.

Sincerely,

Chris Norton  
President, The Washington Center
