

The Washington Center 45th Anniversary Fund

College and University Recognition Benefits

This year marks The Washington Center's 45th Anniversary, *Monumental Impact*. We invite you—our most committed College and University partners—to support us in ensuring that TWC's experiential learning opportunities remain available to your students by contributing to our special [45th Anniversary Fund](#) to help support:

- Scholarships for first-generation, underrepresented and high need college students participating in TWC programming.
- The launch of [TWC's Virtual Internship Program](#) that will expand student access to gain the experience and skills needed to succeed in the workplace.
- TWC's operational stability during this unprecedented time to ensure that we can continue to serve all our students and partners.

In addition, your institution's support will provide scholarship funds to use for your students to attend TWC programming in 2021.
