## Corporate, Foundation and Individual Recognition Benefits

This year marks The Washington Center's 45th Anniversary year, *Monumental Impact*. We invite you to join our community of supporters—partners representing corporations and foundations, colleges and universities, internship partners and individuals including our own TWC alumni—to celebrate TWC by contributing to our special [45th Anniversary Fund](#) to help support:

- [Scholarships](#) for first-generation, underrepresented and high need college students participating in TWC programming.
- The launch of [TWC's Virtual Internship Program](#) that will expand student access to gain the experience and skills needed to succeed in the workplace.
- TWC's operational stability during this unprecedented time to ensure that we can continue to serve all our students and partners.
